"I believe there is a market here for professional soccer, but I would have to look at the terms of any agreement and the public investment that would be required." - Julian Castro (San Antonio Mayor)

"San Antonio.... I don't know if a lot of people are aware of this. The San Antonio Spurs are actually bringing a team to San Antonio in the next year or two. That's been confirmed." - Adrian Heath (Former Everton Star/Aztex Manager)

"We think soccer can work in San Antonio, it's just a question of when." - Peter Holt (Owner of Spurs Sports & Entertainment)

"We think San Antonio, in terms of its market size and demographics, is a perfect fit, we'd like to have a team in San Antonio soon rather than later." - Tim Holt (VP of USL)
